SAVE OUTDOOR EDUCATION

Petition Presentation & Rally,
Parliament Steps, Wellington

Tuesday 21 October, 12pm

The Government has removed Outdoor Education from the senior curriculum subject list. This subject fosters leadership, resilience, confidence, and connection with te taiao, while also offering rigorous academic knowledge.

Already more than 50,000 New Zealanders have signed the petition. On 21 October, we'll present it at Parliament with a strong, visible crowd, and we need you with us.

How you can help:

- Join the rally on 21 Oct if you can.
- Share this information with your networks.
- Sign the petition if you haven't yet.

Find out more about
the rally and the
impact on Outdoor
Education

STAND WITH US – 21 OCT, PARLIAMENT STEPS
